

Help us create experiences for the Kids that remind us of the Kid in All of Us!

Did you know that Kids Club of Jefferson County serves 550 kids a year, 215 kids daily?

When those kids arrive at Kids Club they are greeted into a welcoming place where they feel safe and are excited to play and learn new things.

Just some of the things that the kids receive at Kids Club are:

- A hot meal every day in the Cafeteria
- Tutoring
- Arts & Crafts in the Club Room
- Physical Activity in the Gym and Outside
- Science & Learning in the Brain Domain
- Activities, Time & Space to make & grow friendships

The cost for an Annual Membership is **\$150 for an entire year** with a \$300 Family Cap. This is a great price for such a great service for so many families in Jefferson County.

Something new this year - Kids Club will be open *BEFORE* school for kids. When they are there in the morning they will then be bussed to either Buff Elementary, Madras Primary, or Metolius Elementary. For working parents, this is so helpful.

Some of you may know the 509-J school district is releasing kids an hour earlier from school this year. This means that Kids Club will be open starting at 2:30 on Monday-Friday, all school year long. Even with this earlier release time, Kids Club is not increasing Membership prices. **This increased time and personnel costs will give us a shortfall of \$80,000 in operating costs.**

This is where we are turning to you for your help.

Our Giving Campaign – **The Kid in All of Us** – is a means to get us to our goal. With your help, we can get there!

Please check out our giving levels and benefits. If there are any questions, please feel free to call either Joe McHaney, Kids Club Executive Director or Kathryn Schuh, Kids Club Fundraising Coordinator.

Are you ready help the Kid in All of Us?

Your gift will have both an immediate and long-lasting impact on our youth. **The Kids Club of Jefferson County changes the lives of children and youth, especially those who need us most. A gift at any level is greatly appreciated and will help us fulfill our mission - To "provide enrichment activities and opportunities for kids to learn important skills, in a safe environment, that will enable them to reach their full potential."**
